## BABY

### FORM+FUNCTION

Melding style and state-of-the-art technology, the EchoBABY™ line of baby and toddler electronic solutions are designed with the most demanding parent or caregiver in mind.

# echo SENSE

“always within reach™”

With both modern appeal and an obsessive focus on features, the echo™SENSE sound monitoring system delivers functionality well beyond that of other more traditional products.

The echo™SENSE sound monitoring system utilizes cutting edge digital wireless technology, not standard analog circuitry. No more interference from standard household appliances and related, such as microwaves, 2.4Ghz and 5.8Ghz cordless phones, cell phones, etc. New digital wireless technology allows for a 100% secure, encrypted signal with an effective unimpeded range of up to 600 feet.

Additionally, the echo™SENSE system incorporates our echo™SOOTHE white noise technology to comfort infants and small children with a focused selection of natural sounds. The echo™SENSE utilizes digital technology with long loop periods to create realistic sounds. It aims to provide a secure feeling while masking out unwanted background noise. When an absolute approach to baby or infant monitoring is required, the echo™SENSE system is the right choice for the mobile parent or caregiver.

The echo™SENSE comes standard with long lasting, rechargeable Lithium Ion batteries for the Child Unit and AA Alkaline batteries for the Parent Units, insuring hours of uninterrupted use.

# Features

#### Parent Unit

- Two-Way “Walkie-Talkie” Type Communications (Between both Parent Units as well as Between Child Unit and Parent Units)
- Child Unit temperature reading
- “Out of Range” Notification – When Signal Strength Drops to 1 bar, Then The Parent Unit Will Make a “Beep” Sound Every Minute

### PRODUCT DETAILS

Model # EQS  
 UPC Code: 8-99523-00203-1  
 Item #: E00003  
 Weight: 5 lbs  
 Inner Pack: 2 Pcs (10 lbs)  
 Master Carton: 8 Pcs (40 lbs)

### SOLUTION ALSO INCLUDES:

- 2pcs. of Charging Cradle for both Parent Units
- UL Approved DC Power Plug (3pcs. – 2pcs. for Parent Unit Charging Cradles and 1pc. For Child Unit)
- User Guide
- Lithium Ion battery (1pc. Child unit)
- AA Alkaline batteries (2 pcs. Parent unit)

### WARRANTY

Echelon Partners warrants only to the original purchaser of this product from an Echelon Partners-authorized reseller or distributor that this product will be free from defects in material and workmanship under normal use and service for one year after date of purchase. Echelon Partners reserves the right, before having any obligation under this limited warranty, to inspect the damaged product, and all costs of shipping the product to Echelon Partners for inspection shall be borne solely by the purchaser. In order to recover under this limited warranty, Purchaser must make claim to Echelon Partners within 60 days of occurrence, and must present acceptable proof of original ownership (such as original receipt, warranty card registration, on-line registration, or other documentation Echelon Partners deems acceptable) for the product. Echelon Partners, at its option, shall repair or replace the defective unit covered by this warranty. Please retain the dated sales receipt as evidence of the original purchaser's date of purchase. You will need it for any warranty service. In order to keep this limited warranty in effect, the product must have been handled and used as prescribed in the instructions accompanying this warranty.

This limited warranty does not cover any damage due to accident, misuse, abuse or negligence. This limited warranty is valid only if the product is used with the equipment specified on the product box. Please check product box for details or call echoBABY™ technical support. This limited warranty is non-transferable and does not apply to any purchaser who bought the product from a reseller or distributor not authorized by Echelon Partners, including but not limited to purchases from internet auction sites.
